EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter L. Costas on July 21, 2005.

The application has been amended as follows:

In claim 5, line 1, replace "4" with -1--.

In claim 6, line 1, replace "4" with -1--.

New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the application is in condition for allowance (formal drawings are required). Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

The following is an examiner's statement of reasons for allowance: the claims as supported by the specification differs from the prior art in that it does not teach all the claimed steps; specifically a machine tool for laser cutting in which a track runs along the lower surface of the arm with a motion unit suspended from the track and mounted adjacent its center to increase stiffness and engagable in order to transport workpieces from the loading and unloading stations and additionally, a laser cutting head movable on the motion unit which is readily accessible for serving and replacement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to M. Alexandra Elve whose telephone number is 571-272-1173. The examiner can normally be reached on 6:30-3:00 Monday to Friday.
